Dear Mike:

I very much enjoyed being part of Chris' program last Thursday and had quite a few responses relevant to the topic that was discussed. If it works into a schedule for me to be able to do another twenty minute segment sometime during this tax season, I would welcome the opportunity.

Please thank Chris for her kindness in guiding me through the procedures. I look forward to seeing you sometime later in the tax season.

Dear Chris:

Thank you so much for the television exposure last week. Many of my colleagues, friends, and family called me at home and at my office and said they saw me on the air and enjoyed the presentations. They said it was very informative and that I was so calm and clear, thanks to you and the valuable preparation time you gave me.

Please relate this message of thanks to the crew as well. I enclosed a letter I received from my superintendent which was quite a surprise. Thanks again.

Dear Friend in Christ,

Our recent Smorgasbord was a huge success both financially and socially. We realized a profit of \$11,750.00, which will go towards our badly needed gym roof. We couldn't have done it without your generosity.

Our prayers for you and yours are God's blessing, good health, love and happiness.

Dear Chris:

Thank you for having Al Stango and I on your show and also thank Steve and the other crew members for their courtesy. I have received numerous calls about it and all were positive.

I wish to order a tape and will call down before I come to the station so as to fit into your schedule.

Although you are not old enough to read our paper I have enclosed one for a follow up to the show. I hope you find it of interest and trust we might do a show again sometime. I am getting in touch with CH-68 and thank you for your cooperation.

Sincerely,

Dear Chris:

On behalf of the children and staff at the Center for Early Childhood Services, I would like to thank you for all of the wonderful publicity that we are receiving as a result of Theresa Clark appearing on your show.

We have taken several referrals and many general information calls after the program aired in April. Let's hope that cash donations will follow!

Upon returning from vacation, I found that no one had mailed a video tape to you and I apologize for the delay. Theresa is quite anxious to review a tape. Enclosed is a blank video tape. Thank you in advance for making us a copy.

As we discussed, the treatment of children exposed to violence has not come to the attention of the public until quite recently. We appreciate the efforts you made to research and fully understand Center programs dealing with the treatment of multi-disordered children.

Next time you are close to Philadelphia, please stop by the Center for a tour.

Looking forward to hearing from you soon.

Regards,

Amy M. Cairns

Dear Ms. McKee:

This letter is to acknowledge receipt of toys donated by your station for distribution to needy children this holiday season. Please be advised that we have distributed the toys to local motels in Vineland and Bridgeton that house some of our homeless families. Due to your generosity, this holiday season will be brighter and happier for these families. Again, thank you for your generosity and concern.

Dear W.H.S.P.,

Please, if it's at all possible, do something to improve the quality of the pictures and sounds you are sending in this direction. I have been watching the Home Shopping Club over Channel 65 for the past 1 1/2 yrs. The reception was never good but for the past 3 wks. or so, it has been terrible. At times I suffer through it, but at other times it's so bad that I either turn it off or go to another channel. I especially enjoy the fashion shows but last night's was a disaster for watching or listening to.

I can't face the idea of having to go out and shop for clothes again (I'm 72), so I'll be eternally in your debt if you get things working at least as well as they used to.

Sincerely,

(Mrs) Anne J. Moriarty

P.S. The pictures so bad I can't even get the zip code from the screen.

Dear Management and Staff of 24/7 P-Ch. 65:

Just let me start off with "I Love You All". I thank you so much for helping me through my stay in the Burlington Co. Hosp in August of 1989. This is where I first discovered your station one night when I was lonely and couldn't sleep; you changed my life. I don't even want to change channels for the news.

Do you know how much your station helps invalids and people who don't drive a car? You are a God send! I have family but I just ask them for an emergency as they have their own families and jobs and are busy too, so they thank you also.

If at all possible it would be so nice if some of the staff from your channel would make an appearance

on the hour with Chris Hill as I am
sure you are all very interesting and
intelligent.

I recommend your channel on Home
Shopping Club to everyone I know and
others. I hope they will love and enjoy
as much as I do.

I thank you so much for reading my
letter and taking time out of your busy
schedule. You and your channel "65"
should get an award; lucky Finland.

Sincerely,

Dear Chris:

We wish to thank you for the telephone inquiry last year concerning the recently-completed 1989 Christmas and 1990 Valentine Mail Calls.

Christmas was made a little brighter for more than 150,000 of our servicemen and women, as we were able to send bundles of cards and letters to more than 1,000 units and locations all across the country and around the world.

Viewers interested in learning more about this outstanding military morale program may receive a copy of the 1990 information brochure upon publication later in the year by sending a first-class postage stamp (please -- NO ENVELOPE -- but we DO NEED a first-class postage stamp, as "Mail Call!" is a nonprofit program without corporate, media, political or other sponsorship) to:
"MAIL CALL!" - BOX 817 - CHRISTMAS, FL 32709-0817 (within a short time our headquarters will be moved to that location). Again, thank you!
